

## Driving to Pineacre on the Lake

### From Penticton:

- Exiting Penticton, heading north, take the divided Hwy 97S to Summerland/Kelowna  
**PLEASE NOTE:** Google Maps seems to prefer to call the part of Hwy 97S where we live, “Okanagan Hwy” – so, that is what we refer to as our website address. They are the same thing!
- Once through Summerland, travel approximately 8 km (4.8 miles) until the highway becomes a single lane (just past the Greata Ranch Winery)
- 1 km further on, you will see a blue “B&B” sign on the right side of the highway. You are 100 metres/ yards from our turn-off, so start signalling and slow down!
- Where the sunflowers are, you will see a gravel pull-out/road on your right (with 8 community garbage cans and mailbox) and THAT’s where you turn  
*§ NOTE: If you reach Brent Road, 50 metres further on, you have gone too far (go down it & turn back)*
- When you turn onto our gravel road, you will have to almost double back (heading south)
- Pineacre is about 100 feet (30 metres) down the gravel road on the left...you will see the “7220” and “Pineacre” signs  
*§ Go past them and turn left into the paved driveway entrance.*
- There will be guest parking on your right  
*§ On the same level, come past various parked vehicles in the courtyard to the far front door and ring the doorbell!*
- We look forward to welcoming you!

**Note: Any concerns, phone Rocky on his cell 1-604-880-7709.**
